# SCOPE OF REPORT

This report reviews the Committee on the Medical Effects of Air Pollutants (COMEAP) statement and report on the "Long Term Effects of Particles on Mortality", and the Institute of Occupational Medicine's (IOM) report "Towards Assessing and Costing the Impacts of Ambient Particulate Air Pollution in the UK". It has been carried out on behalf of the Institute of Petroleum by John F. Gamble of ExxonMobil Biomedical Services Incorporated. This work has been steered by the IP's Air Quality Group which is chaired by Jim Herbertson, ExxonMobil.

The Institute of Petroleum cannot accept responsibility for any damage or otherwise as a result of the application of ideas in this report.
