

# Middle East HSE and Sustainability Week

**8 - 9 December - HSE Forum**

**10 December - Sustainability Forum**

Drawing on the century long expertise of the Energy Institute in supporting industry collaboration and good practice, this week will focus on themes in the context of:

1. People - the impact of this fast-changing industry
2. Innovation - as the means for change or as a driving force for change
3. Collaboration - to share learning
4. Policy – informing on policy developments

## Why should you attend?

- Discover the regional and international opportunities and challenges from industry leaders
- Make valuable contacts and share industry knowledge
- Be part of the 'international good practice' dialogue

For more information on the themes, programmes and speakers, please visit <http://energy-inst.org/middle-east-hse>
