EI Awards 2019 entry form – Young Energy Professional Award

Entry checklist

- Have you attached a recent copy of your CV with your entry form?
- Have you completed all sections of the entry form in full?
- If you are not the nominee, have you sought permission of the nominee to be entered to the competition?
- Have you checked that you have answered the as many of the judging criteria as possible in your entry statements? You can find these at: energyinst.org/whats-on/ei-awards
- Are your entry statements within the required wordcount of 250 to 500 words each?
- Have you provided evidence of the nominee's achievements? You should include results data, facts and figures where possible in your entry statement so that the judging panel can measure the nominee's success.
- Have you written your entry statement in an accessible manner so that it is clearly understandable for anyone without direct knowledge of the project, business or sector?
- Have you had your entry statement proof-read prior to submission? Spelling, grammar and overall presentation will be considered by the judging panel in their overall decision.
- Have you provided any additional supporting materials (up to a maximum of 3) as an electronic link in section 4? Please ensure that you send links that do not expire – using websites such as WeTransfer means that we may not be able to view your additional materials in time.
- Have you provided a sponsor reference and all the sponsor details that are requested in section 5?
- Have you saved the date in your diary for the second round of judging (a week in July to be confirmed) so that if you are shortlisted you are available to give a presentation to the judging panel?

Please submit your completed form to Francesca Ferrari at fferrari@energyinst.org by 17 May 2019.
