The Energy Institute annual black tie dinner, hosted by the Aberdeen Highlands & Islands Branch, will take place on Thursday 14th May 2020 at the Marcliffe Hotel & Spa, Aberdeen. This popular dinner is well established in the North East of Scotland events calendar and is attended by 400 business leaders every year. The event provides a fantastic networking opportunity, but also allows the EI to promote education opportunities, career opportunities for young people and raise awareness of all aspects of the energy landscape. Donation will be made to Lollipop Fund for Sick Children.
