## CHAIR'S MESSAGE

Dear SW & SW Branch Members

Please find enclosed a copy of the EI South Western and South Wales branch programme of events for calendar year 2017. I hope you will find the events of interest.

To ensure the success of the branch we need your ideas, suggestions and participation in branch events. We are currently pursuing a number of received suggestions and looking at new opportunities to broaden professional development within our branch.

If you would like further information on how you can get involved, whether as a committee member, professional review interviewer, mentor, speaker at an event or in some other capacity then please do contact me.

All are welcome to our events, many of which are free to attend. I hope you can make every effort to join us at a future event and I look forward to meeting you soon.

Yours sincerely,

**Dr Colin Chapman CEng CSci FEI**  
**Chair**

*PS. Please note more regular communications about forthcoming branch events and changes to the programme will be sent out to EI members via email. To make sure you are on the EI's mailing list, please log in to your member profile online and ensure that your contact details are up to date.*
