

Thank you for your recent interest in visiting Hinkley Point B power station.

Please read the pre visit information shown below, and if you need any further clarification please contact 01278 429225 / 01278 428988 or email hinkleybtours@edf-energy.com. We look forward to meeting you soon and wish you an enjoyable tour.

Group guidelines

- The maximum number of people for a site group tour is 20
- The minimum age for visitors is 8, and children under the age of 16 will not be allowed to participate in a visit unless accompanied by an adult
- Individuals and smaller groups may be merged into one visitor group

Security arrangements

- To gain access to Hinkley Point B power station, our security arrangements require the following information from each visitor, at least 28 days prior to the planned visit date:-
 - Full Name
 - Date of Birth
 - Postal Address
 - NationalityThese details will be kept on file by our security team for a period of one year.
- Non UK nationals will need to complete a 'non British citizens – entry check form' (available from our visitor centre), and this should be returned to our visitor centre 28 days prior to the planned visit date
- For the site tour all visitors aged over 18 years old will need to confirm their nationality by bringing a recognised means of photographic identification with them. The preferred form of photo identification is a current Passport as this in itself confirms nationality. The other form of photographic proof of identification, e.g, a driving licence, will also require the submission of an original birth certificate issued within 6 weeks of birth. A copy of this identification will be taken and kept on file by our security team for a period of three years. **Failure to bring the specified identification will result in site access being denied**
- It is not permitted to bring or use cameras, mobile telephones, smart watches or wi-fi connected devices on the site. Please leave them in your vehicle or at home. Cameras and mobile telephones can be used in our visitor centre.

General information

- The Hinkley Visit experience lasts between 3 and 3½ hours
- Visitors must wear comfortable shoes, **no open toed shoes or high heels are permitted.** Please wear clothing appropriate for an industrial site visit, with garments being at least knee length and it is advisable to tie long hair back.
- We do not have facilities to offer visitors food or drink at the power station
- There is no charge to external groups for taking part in a Hinkley Visit Experience. We do operate a charity of the year process where our staff and contract partners raise money for a charity of their choice, and any contributions towards this fund would be greatly appreciated
